
SATELLITE DISH RELEASE

I, _____ who reside at _____ request permission to have a satellite dish installed at my residence. I understand that it is my responsibility to ensure that the dish installer is aware of and agrees to adhere to the requirements set forth by Osceola Housing Authority. I understand that failure to do so constitutes a violation of my Lease Agreement, Section XII.O. I further understand and agree that an installation that does not meet the Housing Authority's requirements will be required to be removed and/or re-installed at my sole expense, or may be immediately removed by OHA staff if in their sole judgment the installation constitutes a danger to Housing Authority property, residents, staff or others.

TO THE INSTALLER

1. Residents are allowed one dish per unit only.
2. Satellite dishes **MUST** be ground-mounted on poles anchored appropriately to resist inclement weather. The installation locations must be on the side or in the back of the building only. Dishes are to be installed no less than three, and no more than five feet from the building, in order to allow mowers to pass freely between the dish, the building and any fences.
3. Cable may **NOT** be draped along building walls, fascias, soffits or run in any other way in an exposed fashion. Cables will be buried from the pole to the building, and only be visible running vertically from the ground line at the building wall to the point of penetration.
4. Cable penetrations may only be made through mortar. No holes are to be drilled through brick or any other wall material. All penetrations through walls must be made weatherproof.
5. On the interior, cables must be finished with an appropriate faceplate and secured to the wall.
6. Overall, installations must present a professional, finished appearance and conform to Section XII.O of the Residential Lease Agreement which specifically prohibits the use of nails, tacks, screws, brackets or fasteners on any part of the dwelling unit...without prior authorization of the [Housing] Authority.
